In anticipation of The Cleveland Orchestra’s 100th anniversary in 2018, we have embarked on an ambitious fundraising campaign. The Sound for the Centennial Campaign seeks to build the Orchestra’s Endowment through cash gifts and legacy commitments, while also securing broad-based and increasing annual support from across Northeast Ohio. The generous individuals and organizations listed on these pages have made long-term commitments of annual support, endowment funds, and legacy declarations to the Campaign. We gratefully recognize their extraordinary commitment toward the Orchestra’s future success. Your participation can make a crucial difference in helping to ensure that future generations of concertgoers experience, embrace, and enjoy performances, collaborative presentations, and education programs by The Cleveland Orchestra. To join this growing list of visionary contributors, please contact the Orchestra’s Philanthropy & Advancement Office at 216-231-7558.

Listing as of January 20, 2016.
